

# Step into a VIKING SAGA

Now you have a chance  
to take part in Viking history!

LEIF ERIKSON INTERNATIONAL FOUNDATION

## One thousand and thirty years ago,

Erik the Red sailed away from the west coast of Norway. He settled in Iceland and married Thodhildjur, who gave birth to their first son, Leif Erikson. Their family then ventured to Brattahlid, Greenland, where they remained except for Leif's journeys: first to Norway where he served under the Nordic King Olaf Trygvason, and then his famous sojourn to Vinland, on the shores of North America.

Son of Iceland, grandson of Norway, Leifur Eiriksson (Leif Erikson) became the first European to set foot on American shores. You can be part of this Viking story by donating to place your name or your club's name alongside a new statue of Leif Erikson at Vinland, a known Viking settlement in Canada.

The Leif Erikson International Foundation has given a replica of Seattle's statue of Leif Erikson to Trondheim, Norway, where the Sagas say Leif wintered over with King Olaf Trygvasson, and to Brattahlid, Greenland, where Erik the Red established his farm. Now, we have given the final statue to L'Anse aux Meadows, Newfoundland, perhaps the very shore where Leif first set foot.
